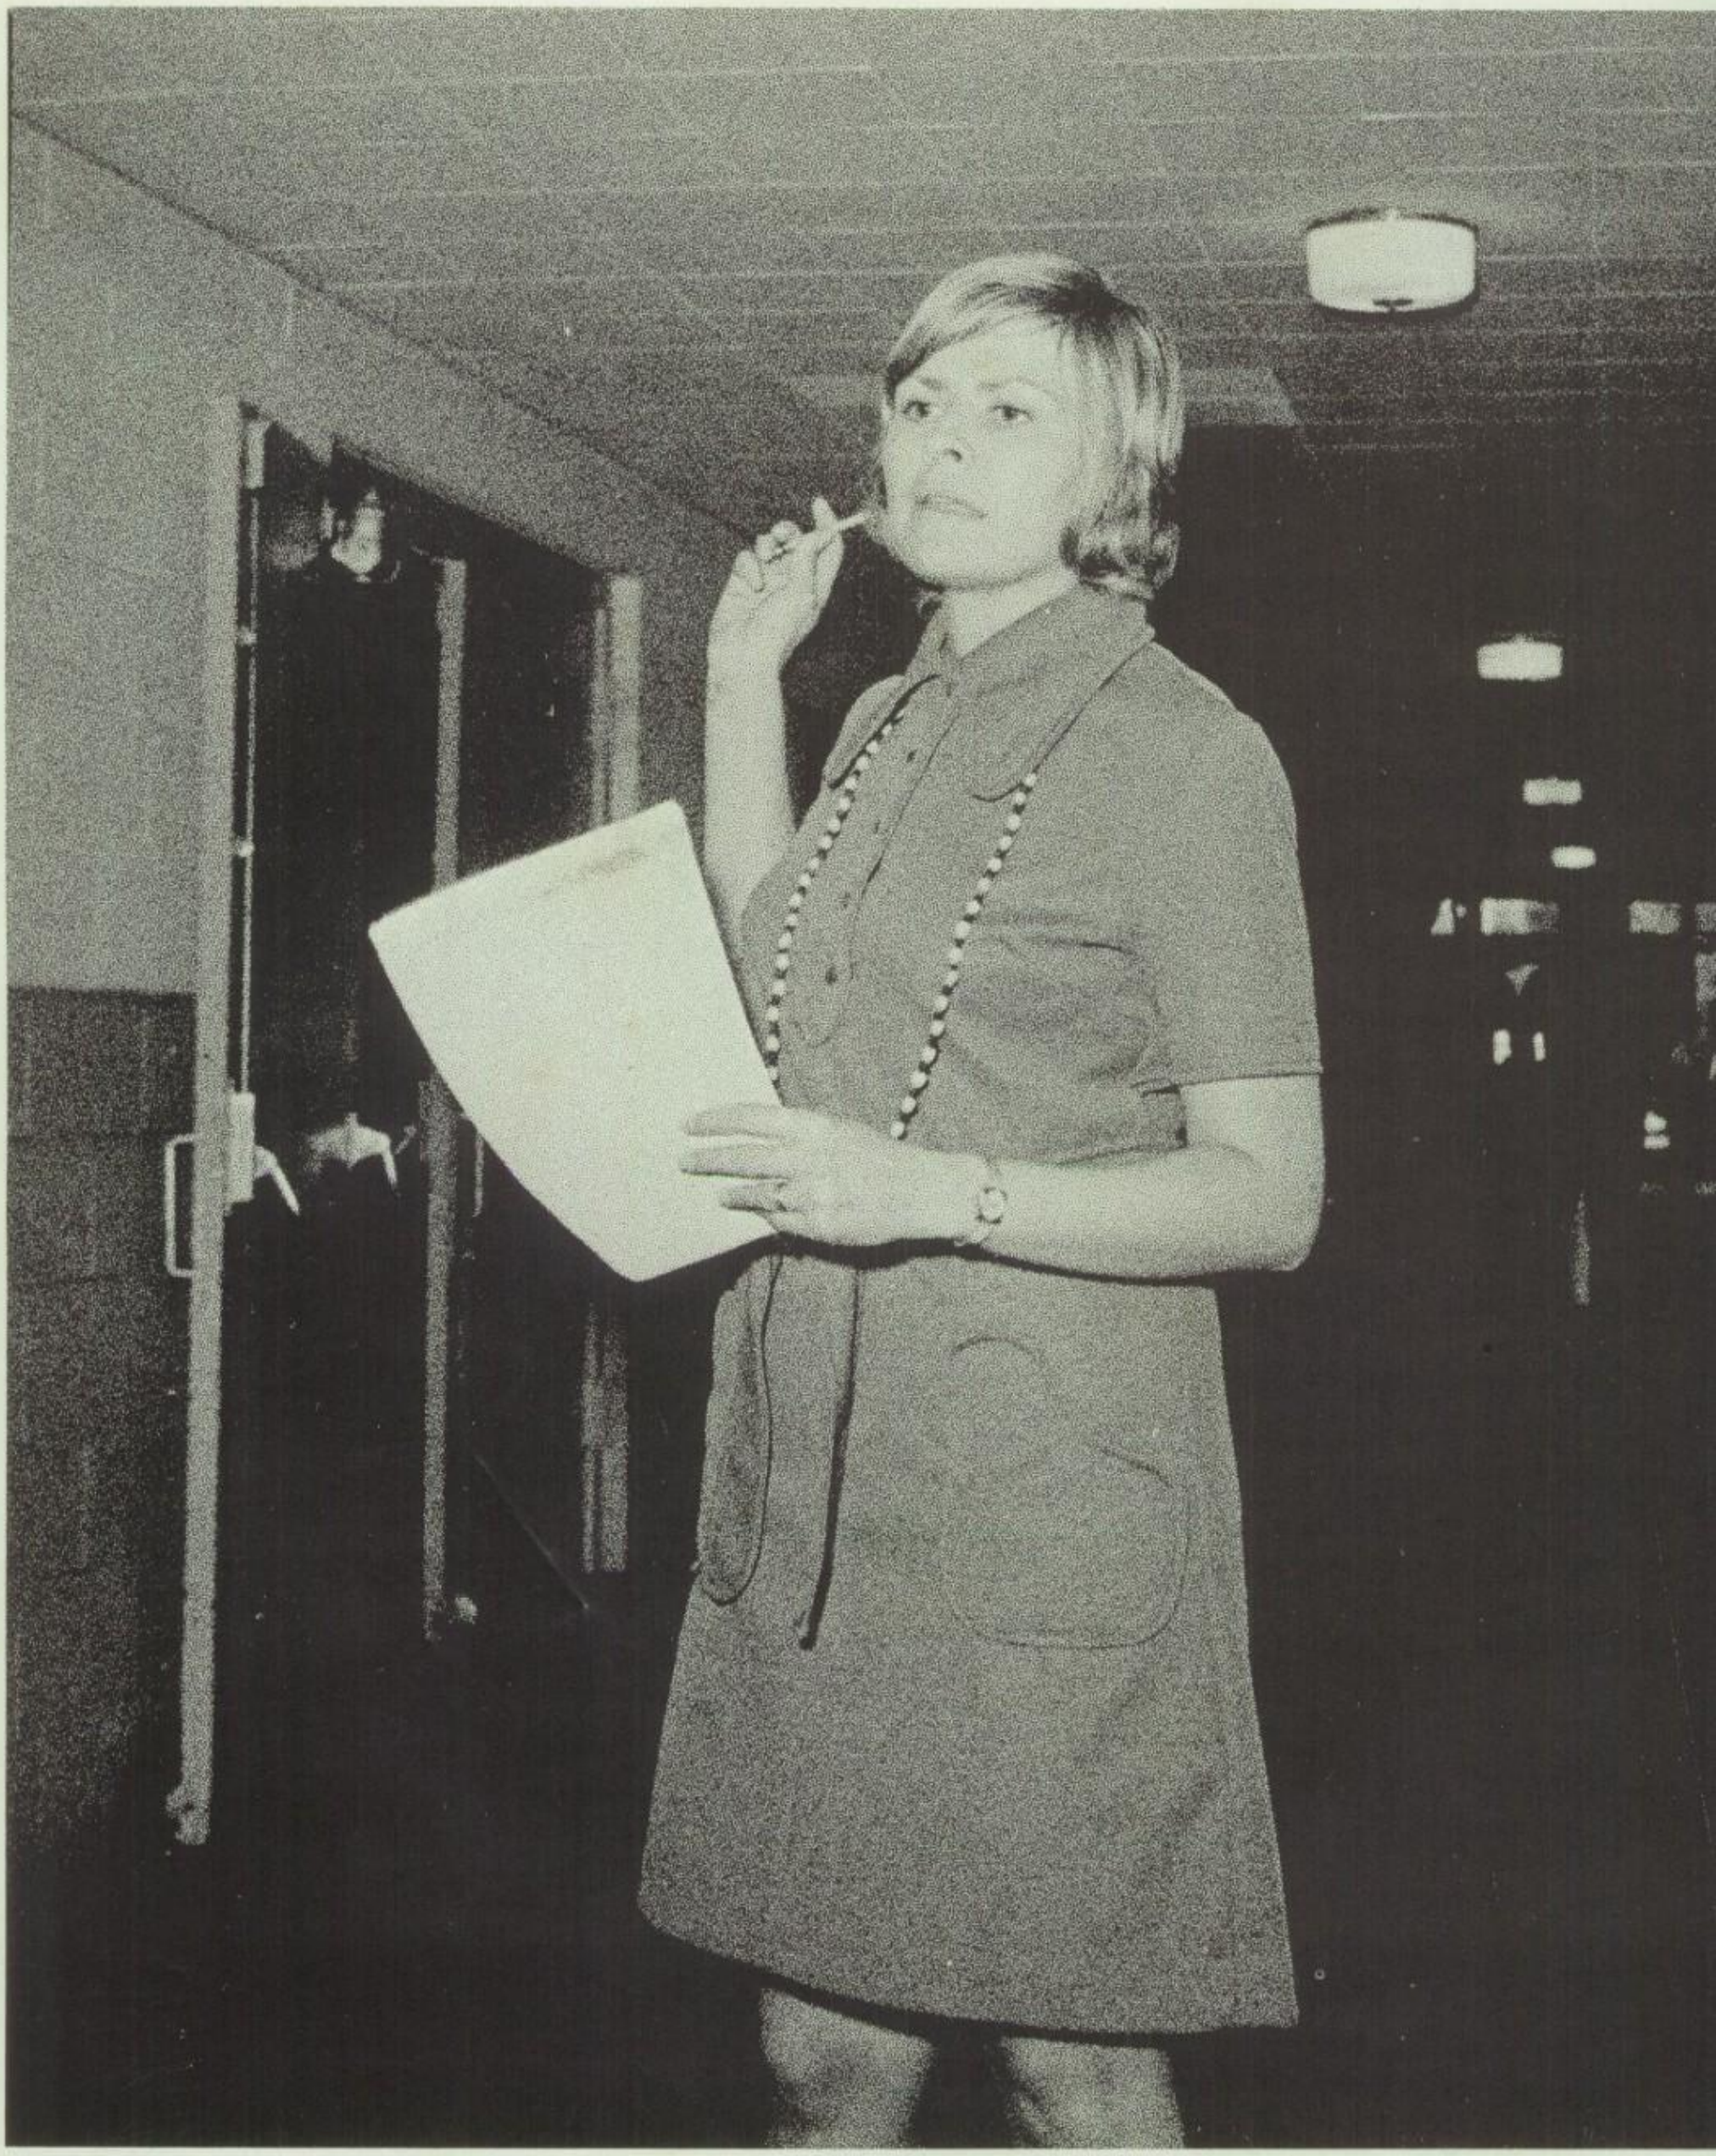
LEE'S

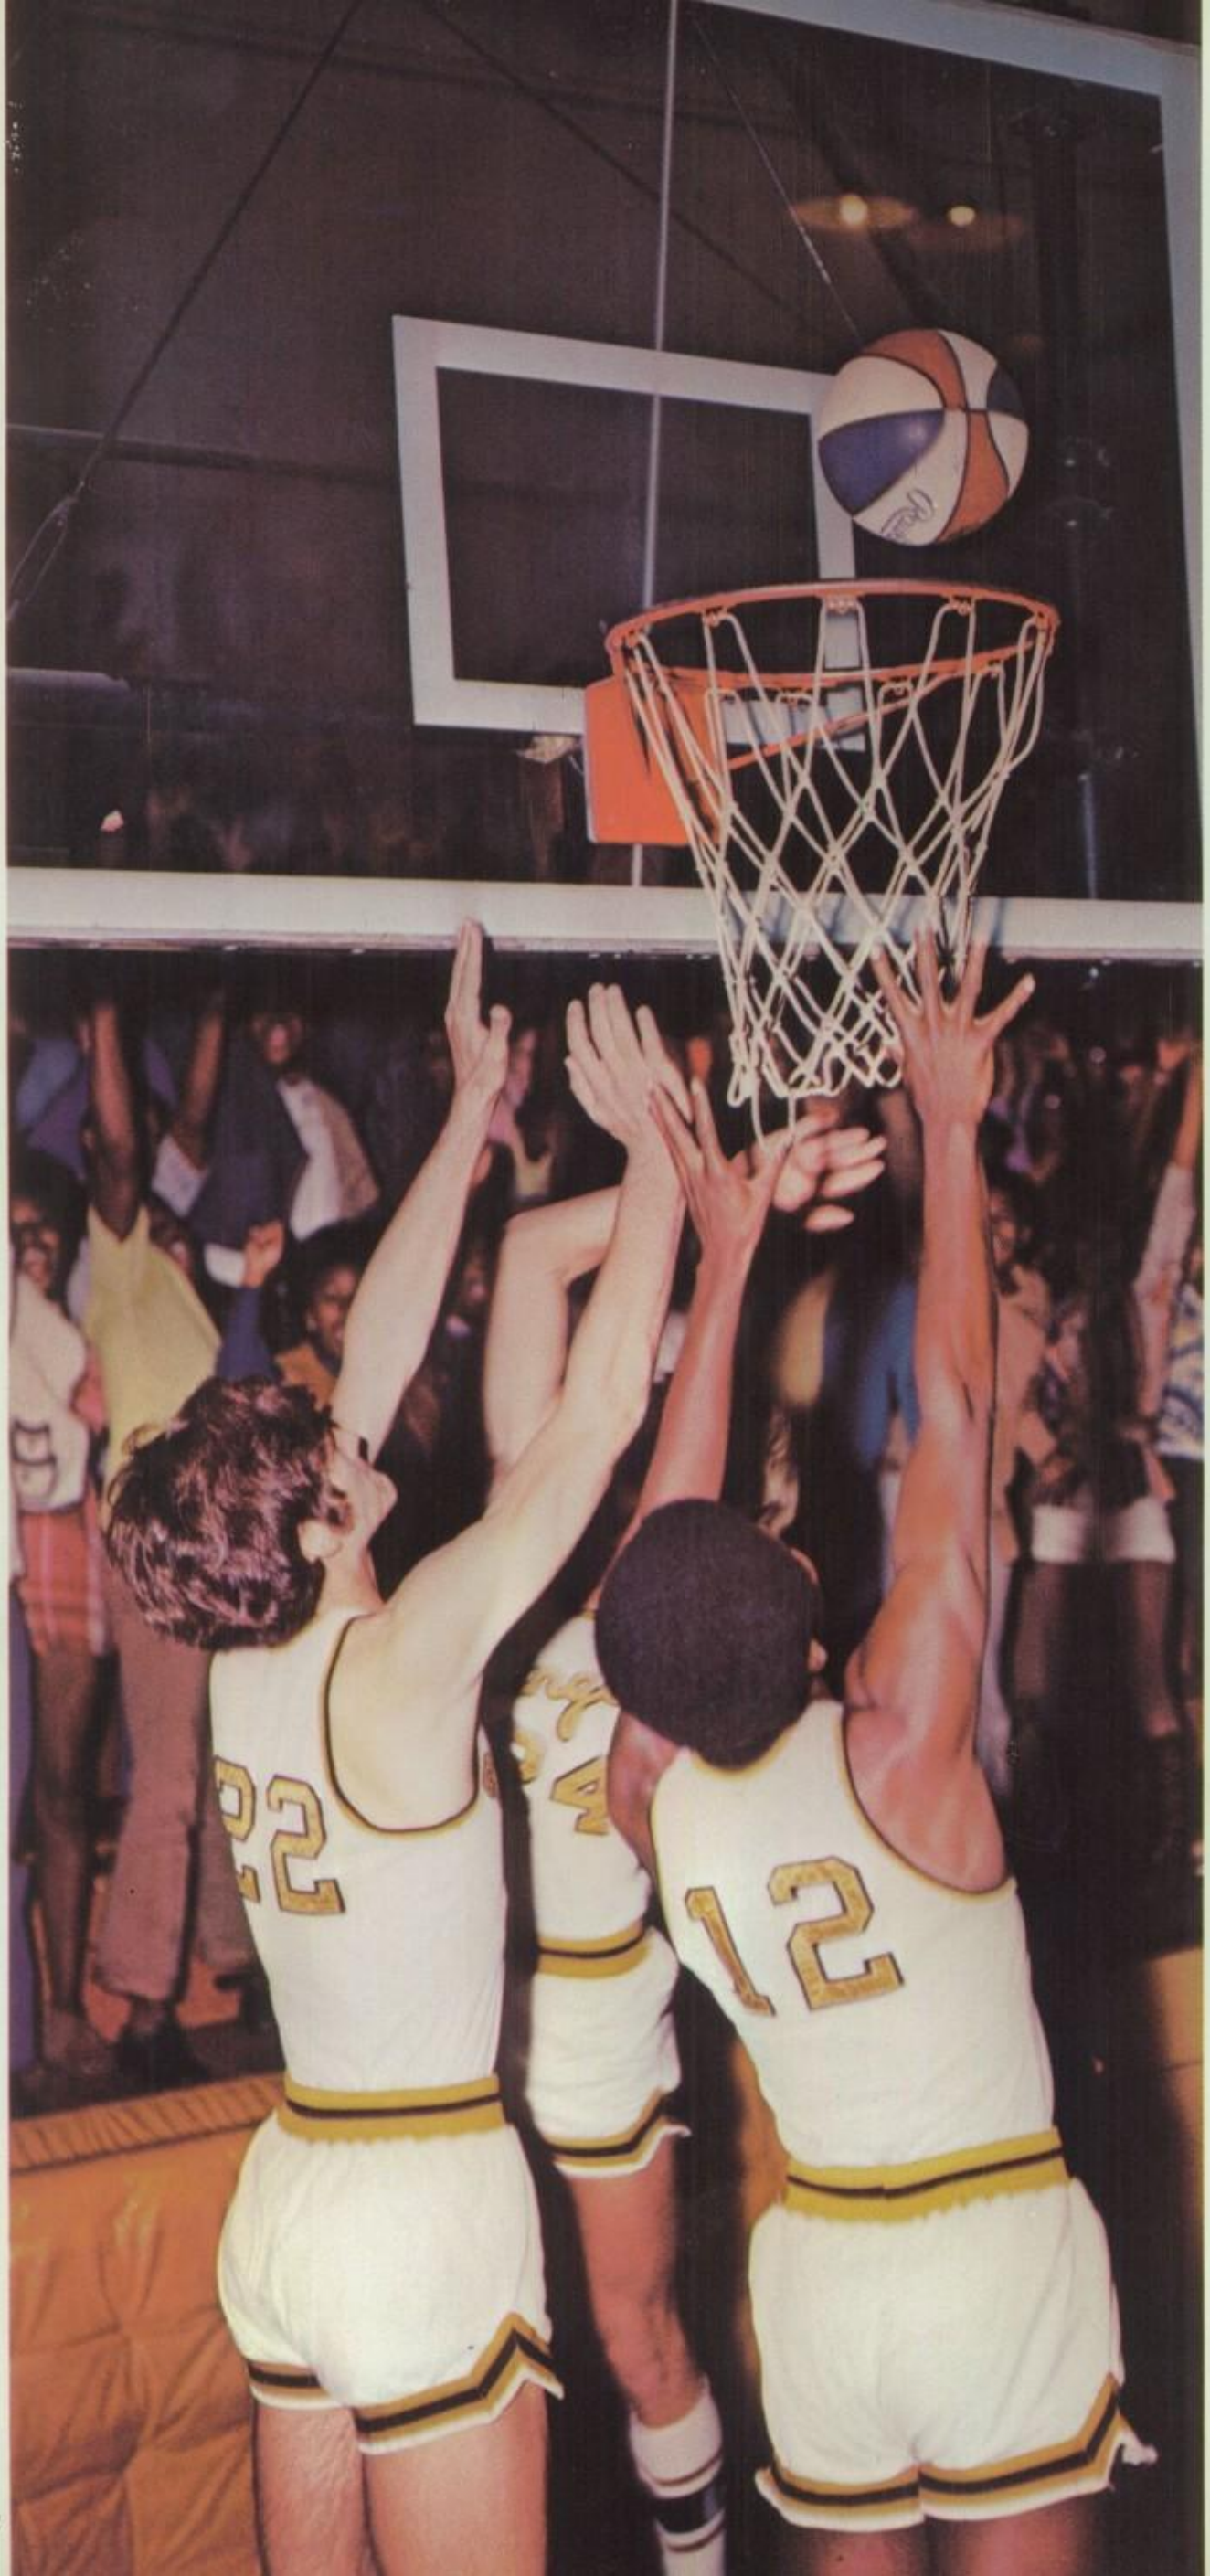
The spirit of TODAY! It is that quality which speaks for all that is real or imagined. It envelopes a high school campus with a wide variety of characteristics which are exhibited in the enjoyment of a particular kind of entertainment, an interest in all kinds of fashion and a motivation to take part in the world in our own way.

TODAY'S interests center on many areas - from the psychedelic, to the ecological, to the common place, depending on each individuals emerging personality. We can be dreamers, we can face reality or we can just exist.

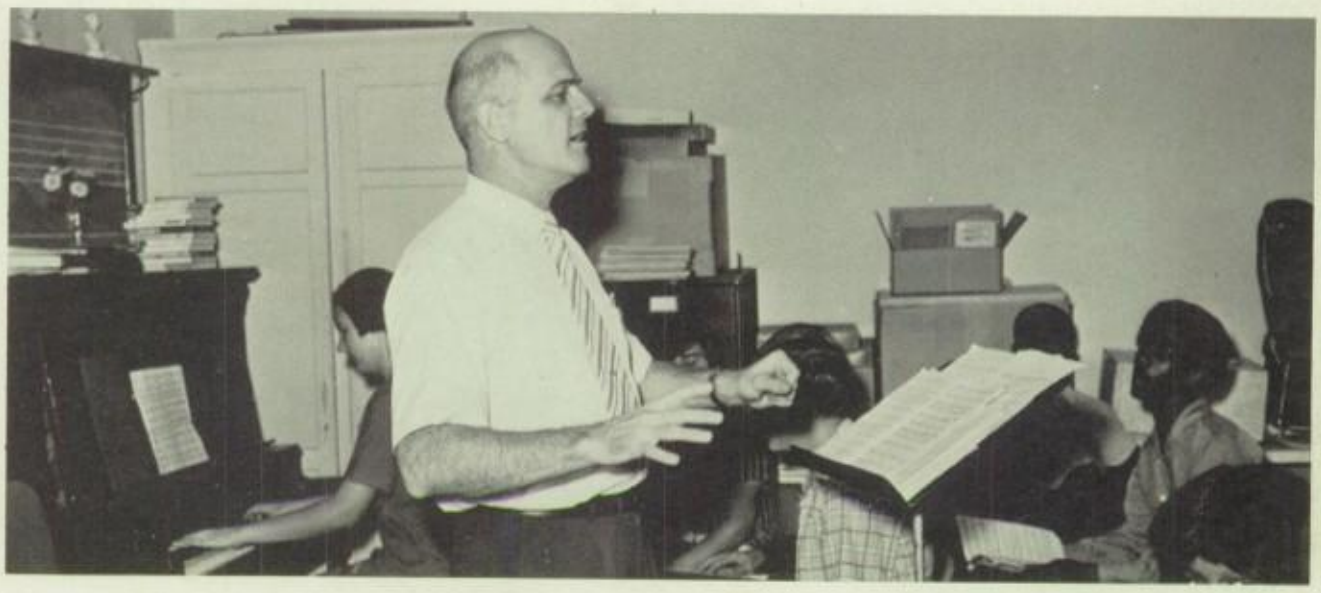
TODAY is identifying ourselves, facing the hopes, fears, and longings of others. It is learning to interpret our thoughts, feelings, and moods.



TODAY academics is part of what it's all about. The answers are not always found in a classroom and sometimes require tedious hours of library research, homework, and extra assignments. Teachers are the guiding influence, but even they are human!



TODAY the aware students face the realization of being caught up in the spirit of our school in its athletics. Any spirit, regardless how rich the heritage, is worthless if bound to the past. It must be the spirit of TODAY.



TODAY organizations and activities come in many forms ... they venture into the somewhat artistic realms of building a float or the happiness and relaxation that comes from joining together in a spirit of co-operation that speaks for TODAY.

Tody is a composition on many different areas around us. But, standing in the foreground are the people today. Creative, humorous, graceful, intelligent - the people of today are comprised of characteristics from every aspect of the now world! The feelings of today are expressed through joy, happiness, love, conflict, hate, war. But as we leave Walker, we have all gained a sense of closeness for the school, faculty, and fellow students; a closeness which will always remain a major part of the spirit of today.

Wit: He was its author
Love he knew to be
Good - and good things
He respected.
Charm: Ah! We know he
Was its creator,
And peace seemed to dwell

Homecoming Day Activities

After working long hours, often late into the night, students awaken early on Friday to put the finishing touches on their floats. This year the Juniors won first place, followed by the Seniors and Sophomores respectively. The floats are a major part of the parade that includes cars decorated by individuals and the Walker Viking Band. The parade makes several stops during its march through town to perform for the gathering spectators, providing a preview of the excitement of the night's game.

This year the Vikings did not have a very successful season if one measures success by the number of victories. But in any case it may be supposed that any athlete may be a good winner, but only those possessing strong character can accept defeat with humility and grace. Therefore we must commend these Vikings for approaching each game as a separate contest regardless of the outcome of the former one. The game of life requires the same attitude if a person is to succeed. Well expressed are Pop Warner's words; "It is not whether you win or lose, but how you play the game."

Walker 6 Fayette 7

The Vikings opened the season by traveling to Fayette in hopes of beginning with a victory. An improved Viking defense held Fayette to seven points throughout the entire ball game. Not scoring in the first three quarters the sputtering Viking offense began to roll and scored on a pass from quarterback Chuck Justice to tight-end Stuart Upton. Coach Karabusz's decision to go for the two point attempt was foiled when Jimmy Horton was stopped one yard from the goal line. Walker rallied valiantly but the tigers held on for a 7-6 victory.

Walker 0 Grissom 20

In the first home game of the season the Vikings met the Grissom Tigers of Huntsville. Again a physically strong team the Vikings played inspired football throughout the first three quarters and held the Grissom offense to six points. The Walker offense failed to score throughout the game, due to costly mistakes. The game was much closer than the 20-0 score indicates as the Tigers scored two touchdowns in the last minutes of the game. Grissom went on to the state play-offs.

DAVID BURTON

Walker 18 Bradshaw 14

For the third game of the season the Vikings, still looking for their first victory, traveled to Florence to play the Bradshaw Bruins. In the first quarter the Vikings went ahead on a pass play from Chuck Justice to end Mike Burton. The PAT failed and the Vikings led 6-0. Outstanding defensive play by both teams enabled neither to score, and as a result the score remained the same until the third quarter. Midway through the quarter, the Bruins then took the lead 6-7, only to have Walker regain it on an aerial from David Burton to end Stuart Upton. The point after again failed; still the Vikings led 12-7. This lead was short lived however, as the Bruins scored on a run by quarterback Steve McAnaly. In spite of the Vikings hustling defense, the extra point was good. Determined to win, Walker drove to the Bradshaw forty-seven yard line. Chuck Justice then threw a perfect strike to tackle-eligible Ronnie Davis for the winning touchdown. The final score was Walker 18, Bradshaw 14.

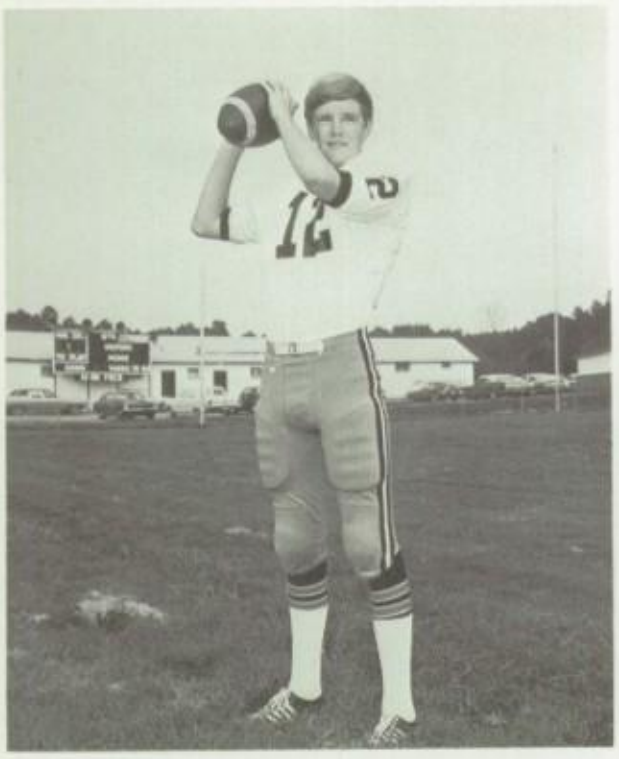
Walker 6 Tuscaloosa County 28

The Vikings traveled to Tuscaloosa looking for their second victory of the season against the Tuscaloosa County High Wildcats. In a new offense the Vikings made several mistakes which the Wildcats took advantage of to take a halftime lead of 22-0. The third quarter brought the only Viking touchdown of the night as Hancel Cox ran it over. The Vikings could not muster a serious comeback due to five fumbles and two pass intereceptions. The Wildcats went on to win 28-6.



DAVIS NORRIS
Quarterback

Walker 20 Dora 0

The Vikings met the Dora Bulldogs on October 2nd looking for their second victory of the season. After a week of good practice and the fans around the county building the game into a spectacle, the teams were ready for a big clash. It turned out to be a mismatch. After the Vikings had two touchdowns called back due to penalties, they got on the scoreboard with a 20 yard pass from quarterback Chuck Justice to end Mike Burton. The Vikings led 7-0 and were ahead to stay. With a 23 yard touchdown pass from quarterback Justice to tight end Stuart Upton the Vikings carried a 13-0 lead at halftime. With the Walker defense playing an excellent game the Bulldogs were held scoreless throughout the game. Following a goal line stand, the Vikings, led by sub-quarterback David Norris, marched 95 yards for the final TD of the game. It was taken in on a 46 yard scamper by Joe David Gray.

DERRELL DAVIS
Tackle

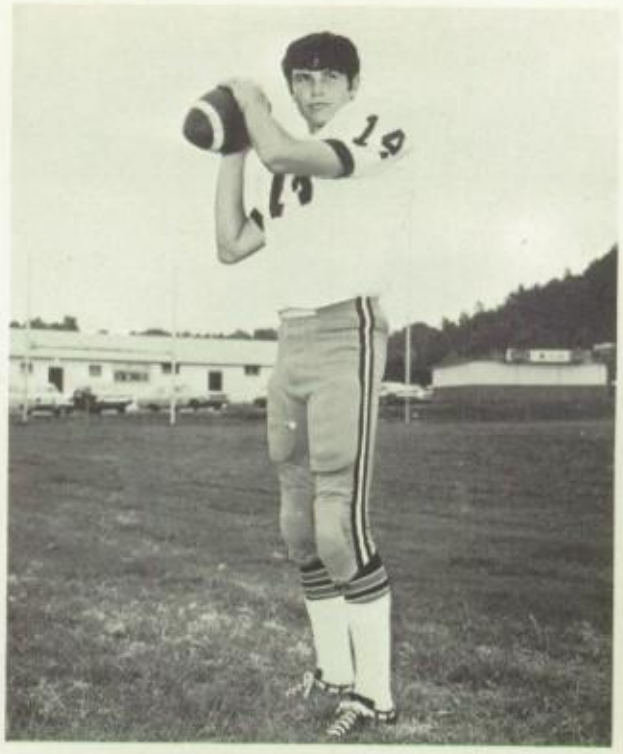
Walker 0 John Carroll 7

After a brilliant day of Homecoming festivities, the Vikings were to meet the John Carroll Cavaliers. The defenses played sharp football and the offenses made many mistakes and a scoreless first half occurred. The third quarter was scoreless also, but with 8 minutes and 41 seconds remaining to play, the Cavaliers' Ron Wright ran seven yards for the only score of the night. The Vikings lost their Homecoming game, due to costly offensive mistakes. The defense played well throughout most of the game, but the one touchdown given up was enough for the Cavalier victory.

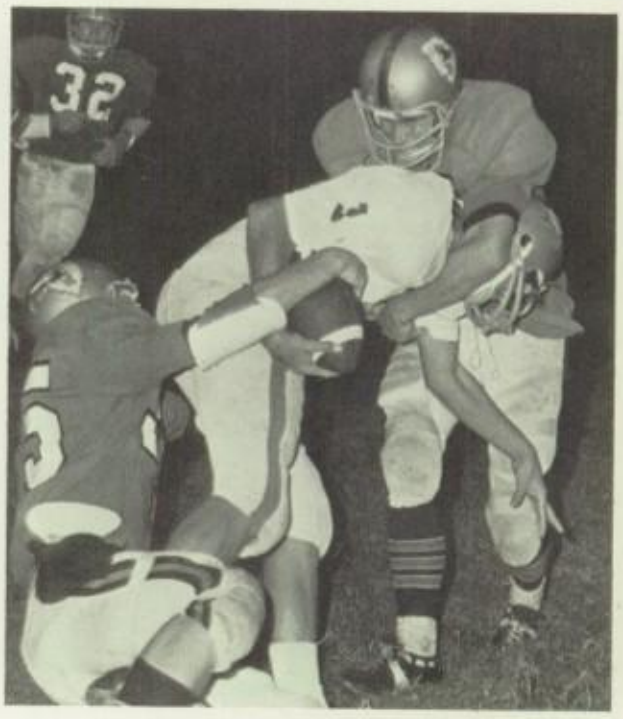
GREG STARNES
Fullback - Linebacker

Walker 0 Coffee 35

Against the most powerful team they had faced all year, the Vikings traveled to Florence to meet the Coffee High Yellow Jackets. With big men at many vital positions, the Yellow Jackets had their way for most of the night. The Viking defense played well the first half and Coffee only reached paydirt once. After halftime the Yellow Jacket offense began to roll and they racked up 28 points. The Viking offense was unable to move throughout the game and failed to put any points on the board.



CHUCK JUSTICE
Quarterback - Defensive Back



MIKE SCHLITT
Center

Walker 20 Cullman 55

In the Vikings eighth contest of the season they traveled to Cullman to take on the Cullman High Bearcats. In the first half, the Vikings played solid football to go out at the half trailing only 21-14. The Vikings points came from two touchdown runs by halfback Jimmy McCoy. A heavily favored Cullman team came back in the second half and took complete control of the game. The Bearcats mounted five touchdowns in the 3rd and 4th quarters, as the Vikings could only muster one, on an aerial from quarterback Chuck Justice to halfback Jimmy McCoy. Viking fans were again disappointed as Walker failed 55-20.

Walker 0 Decatur 39

Determined to repeat their upset victory of two years ago, Walker journeyed to the land of the Decatur Red Raiders. The Red Raiders passed for three touchdowns and ran for two more on their road to the state championship. The Vikings had again fallen to defeat. The pride of the Seniors was at stake as the Vikings readied for the final game against Austin.

Walker 13 Austin 14

After a disappointing season, the Senior's pride was on the line as they led the Vikings into the final game of the season against Austin of Decatur. Near the end of the first quarter, Chuck Justice threw a twenty yard touchdown pass to halfback Jimmy McCoy. The defense then took over for the remainder of the half, and the Vikings took a 7-0 lead to the dressing room. In the third quarter, Greg Eubanks of Austin scored on a ten yard run for their first score. Quarterback Larry Mote ran in the two point conversion and Austin led 8-7. With nine minutes left, Chuck Justice ran five yards to put Walker out in front 13-8. The try for two failed, and added pressure was put on the Viking defense. On a ten yard touchdown pass from Larry Mote to Mike Douglas, Austin took the lead 14-13. With time running out the Vikings were forced to put the ball in the air, and saw victory hopes fade away on an intercepted pass. The Vikings ended their season with 2 wins and 8 defeats.

COACHES: Davis and Greene

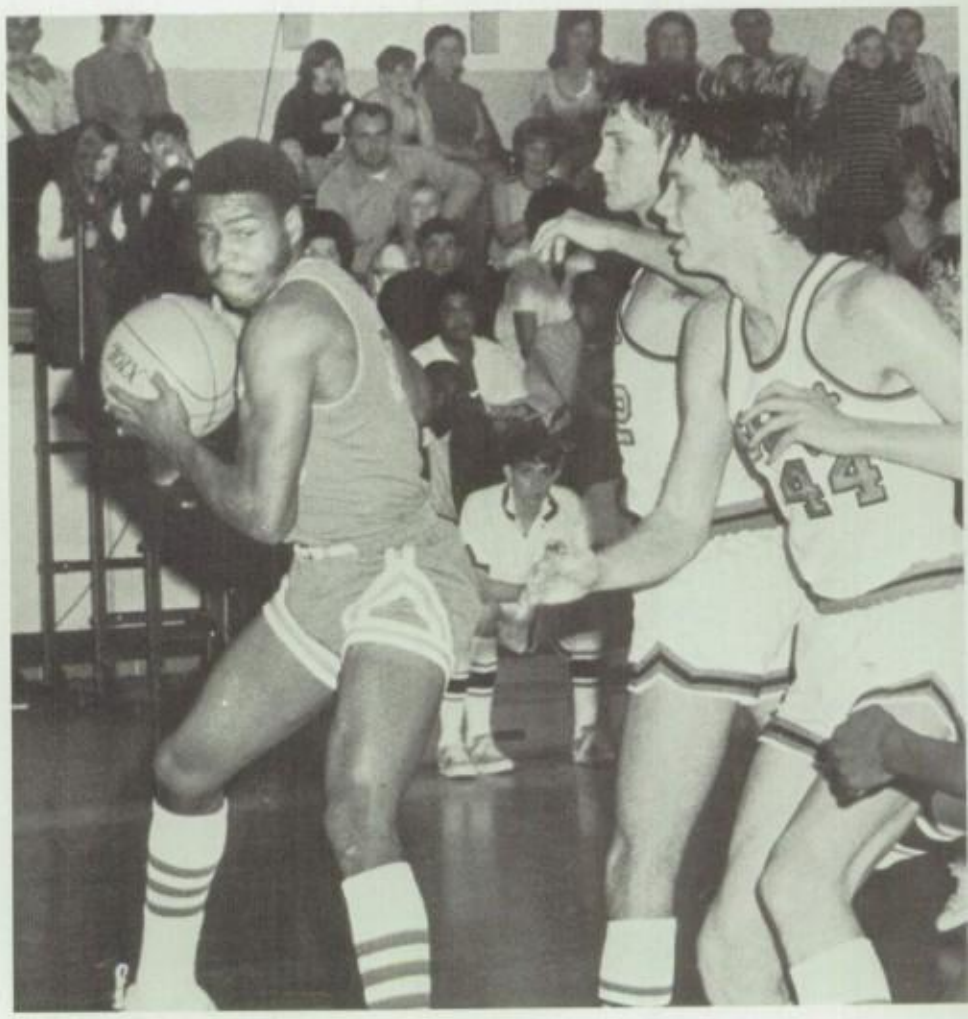
CAPTAINS: Greg McDade and Guy Able

Seniors

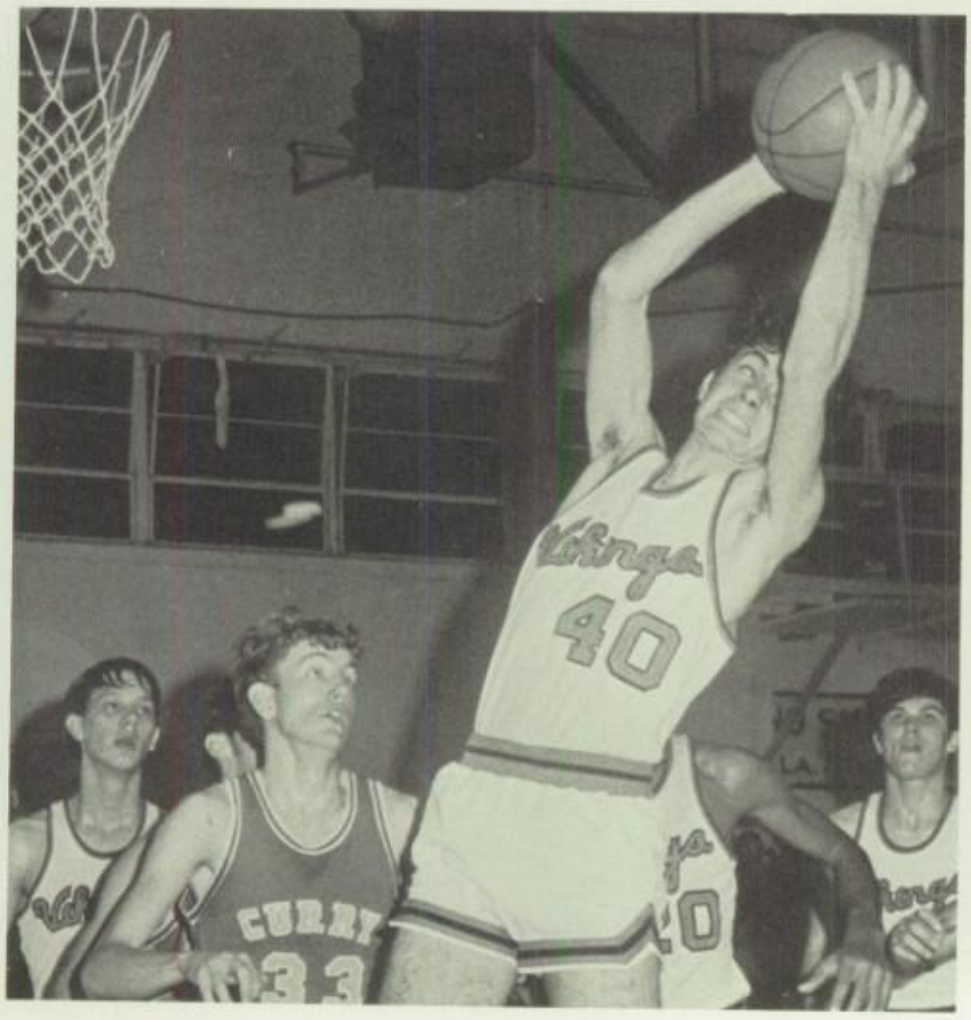
SENIORS, left to right: Guy Able, Greg McDade, Hal Brakefield, Stuart Upton, Tad Hudson, and Jimmy Holston.

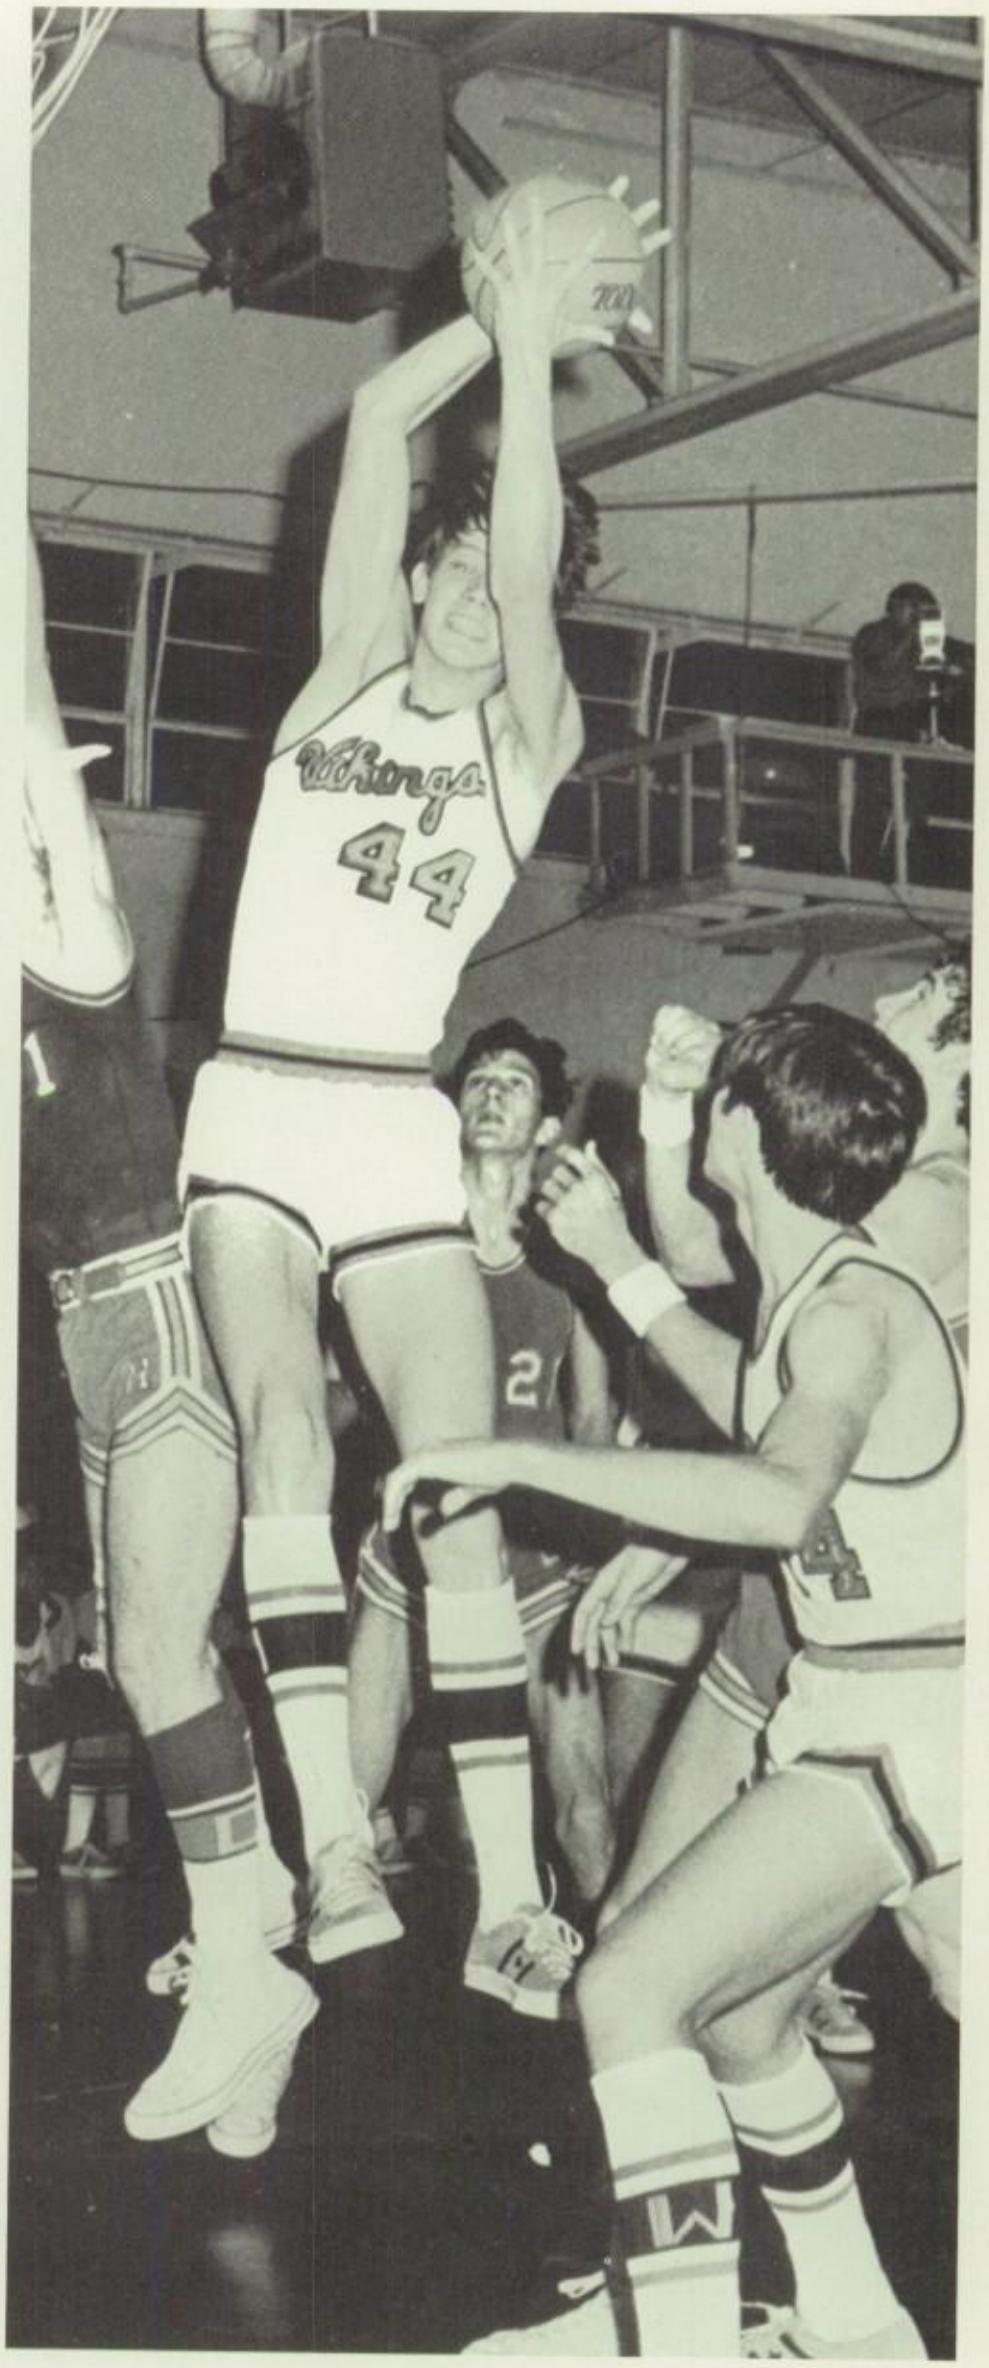
Viking Basketball was an overwhelming success. Under the outstanding leadership of Coach Greene, the Vikings, over the past five seasons, have compiled a record of one hundred victories against only thirty five defeats. This year with a young ball club, Coach Greene has again brought success to the Walker High Basketball Team.

County



Champions





The Vikings again handily won the Walker County Tournament. The Vikings easily rode over outmanned Curry and Parrish to gain the finals.

The final game against Dora was never close, enabling the Vikings to win their fifth County championship in six years.

The Vikings were led with outstanding play from All-County selections, Greg McDade and Robert Page. Page, who was named the Most Valuable Player, averaged twenty points - per-game during the tournament which McDade averaged sixteen.

As Vikings basketball again emerged as a tremendous success, team play was the deciding factor in the tying of the school record of thirteen consecutives victories. As the season and the win streak came to a close, however, it became apparent that several players had been more than influential in the Viking success. As due rewards then, Tony Price, Greg McDade, and Robert Page, were named to the Daily Mountain Eagle's All-Walker County Team.

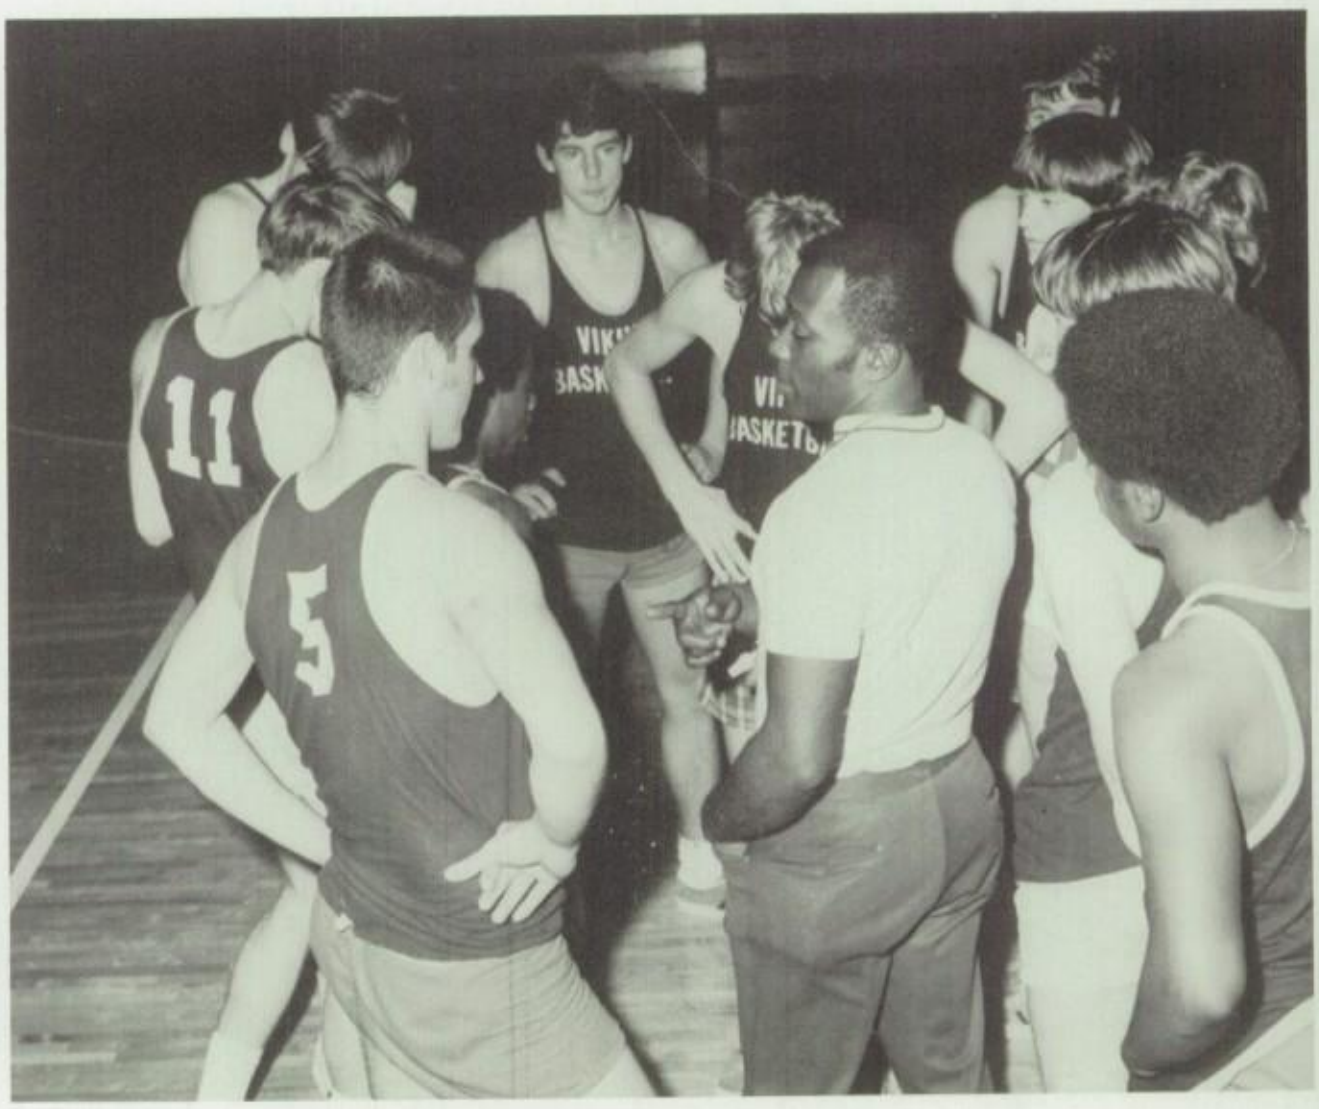
B Team Basketball

BACK ROW: Danny Cooner, Henry Woods, Steve Mathis, Titus Hamilton, Sammy Lee, Bill Gibson, Jim Boshell. FRONT ROW: Buddy Woodley, Leon Horton, Alan McAdams, Rand Clark, Barry Woods.



The main purpose of B-team basketball is to prepare sophomore boys for varsity play. Under the fine leadership of Coach Herman Davis, the B-team boys gained valuable experience through the 71-72 season. They compiled a season's record of 14 wins and 7 losses. They were led by players Leon Horton, Henry Woods, Buddy Woodley, Jim Boshell, Rand Clark, and Sammy Lee.

Wrestling State Champions 70-71

Interscholastic wrestling is a contact type, individual sport that pits boys of similar weights in contests that involve strength, quickness, endurance and a technique of combat that is as involved as a science.

Walker has had a wrestling team since 1968-1969. Its 4 year record is as follows:

1968-1969 -	11-1-0	Finished 8th in State
1969-1971 -	10-2-0	Finished 3rd in State 3rd in T.V.C.
1970-1971 -	14-1-0	State Champions, 1st in Region, 2nd in T.V.C.
1971-1972 -	4-2-0	Finished 6th in State 1st in Region, 2nd in T.V.C.
Total	39-6-0	

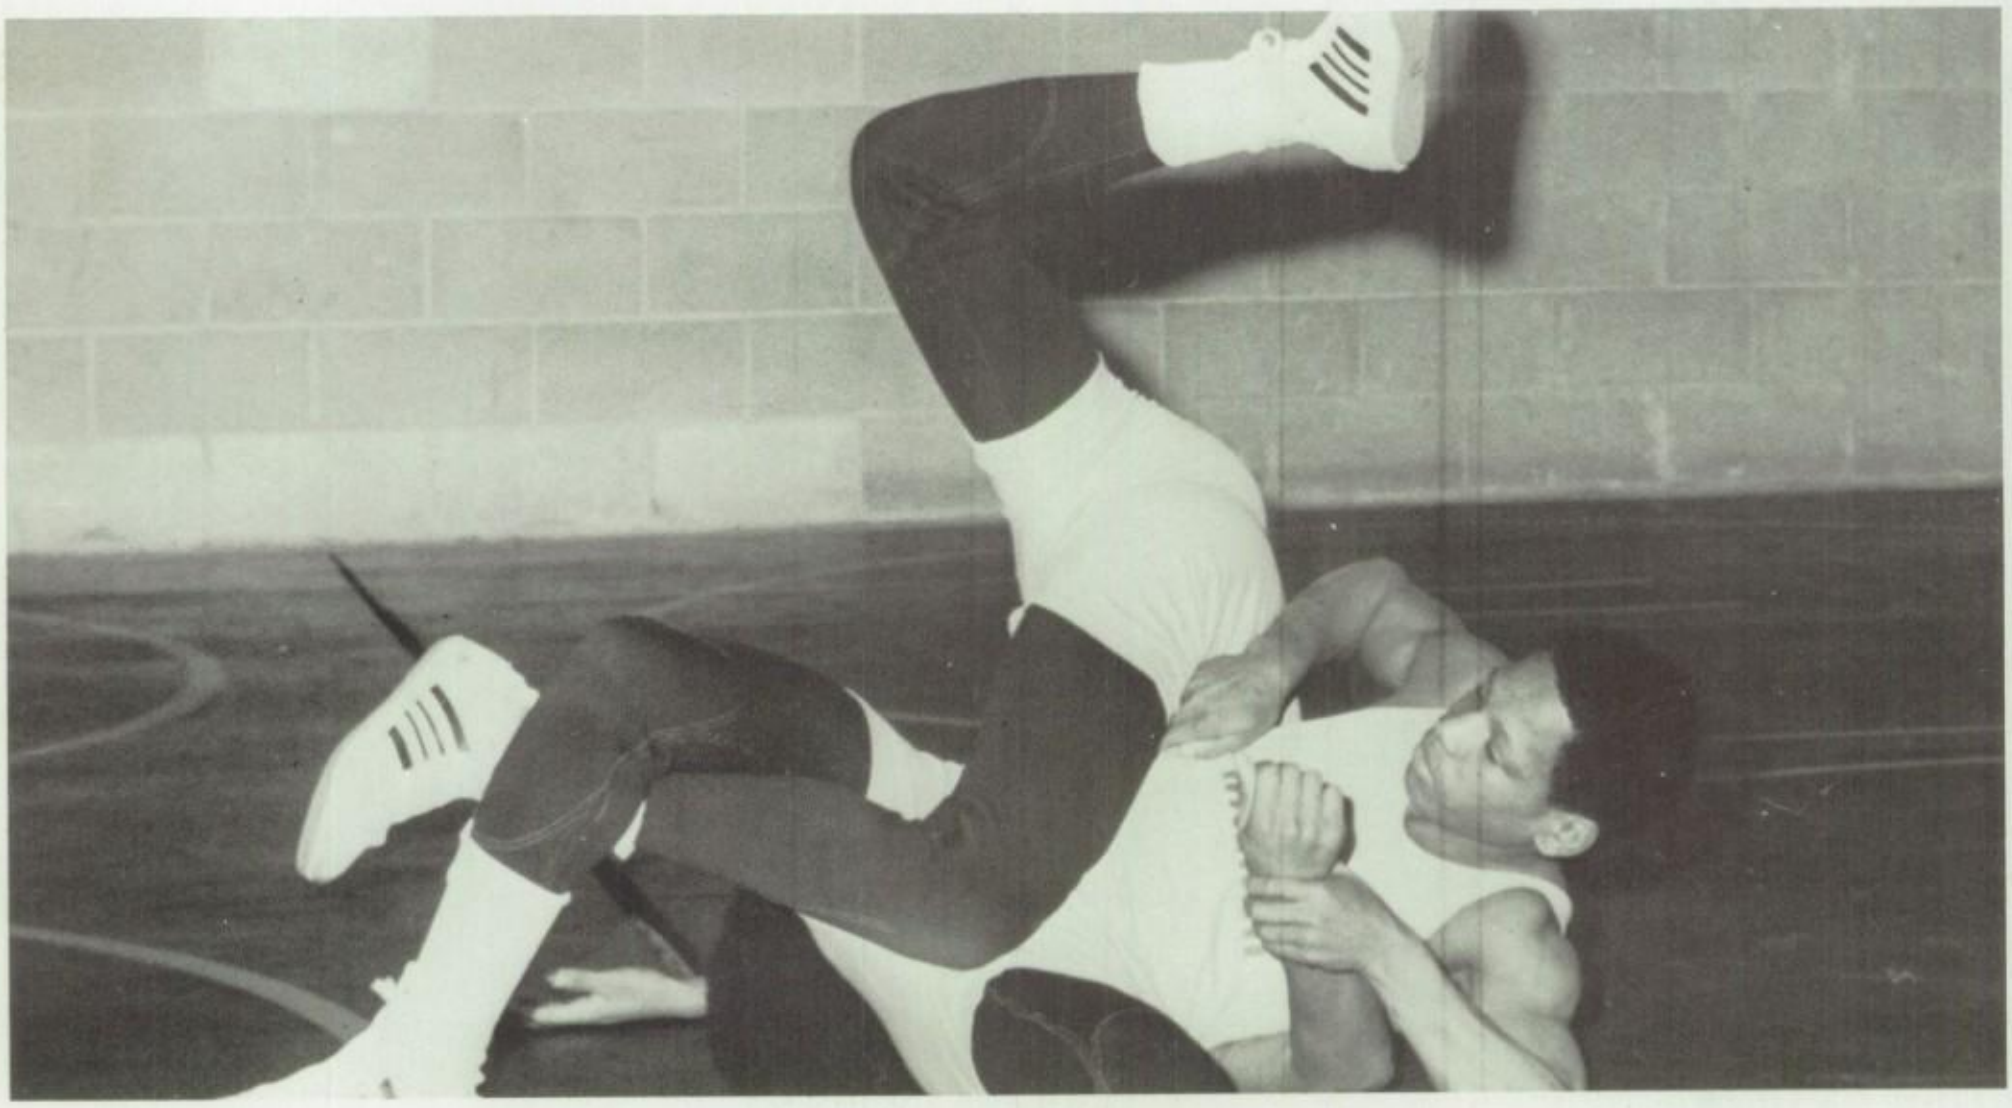
They have had five individual State champions at Walker:

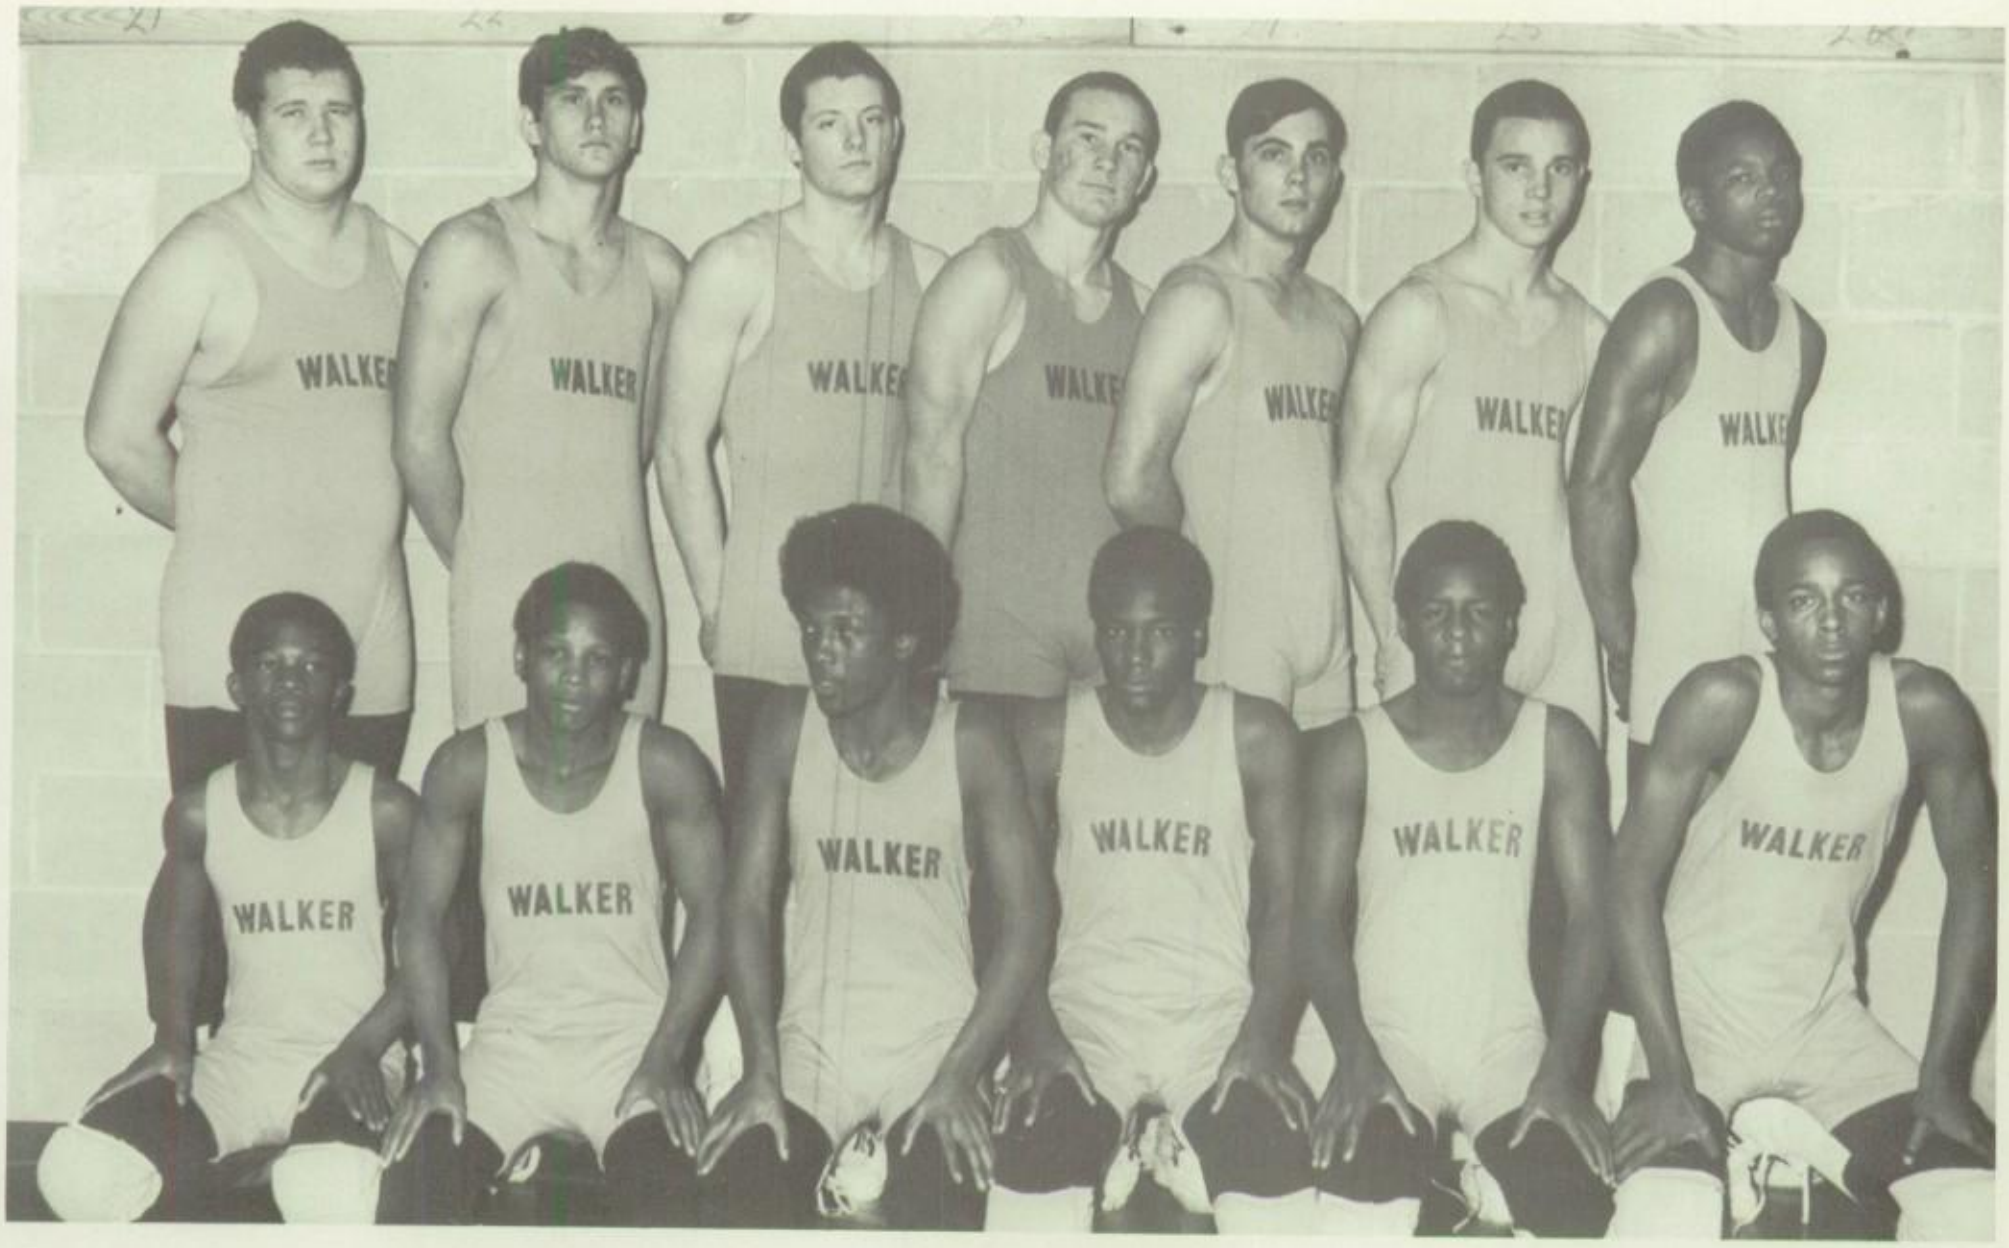
1969-1970 - Willie Smith - 188 lb. class
1970-1971 - Bobby Colbert - 101 lb. class
Roosevelt McCain - 129 lb. class
Robby Duggar - 135 lb. class
1971-1972 - Bobby Colbert - 107 lb. class

The seniors of the 1972 year are:

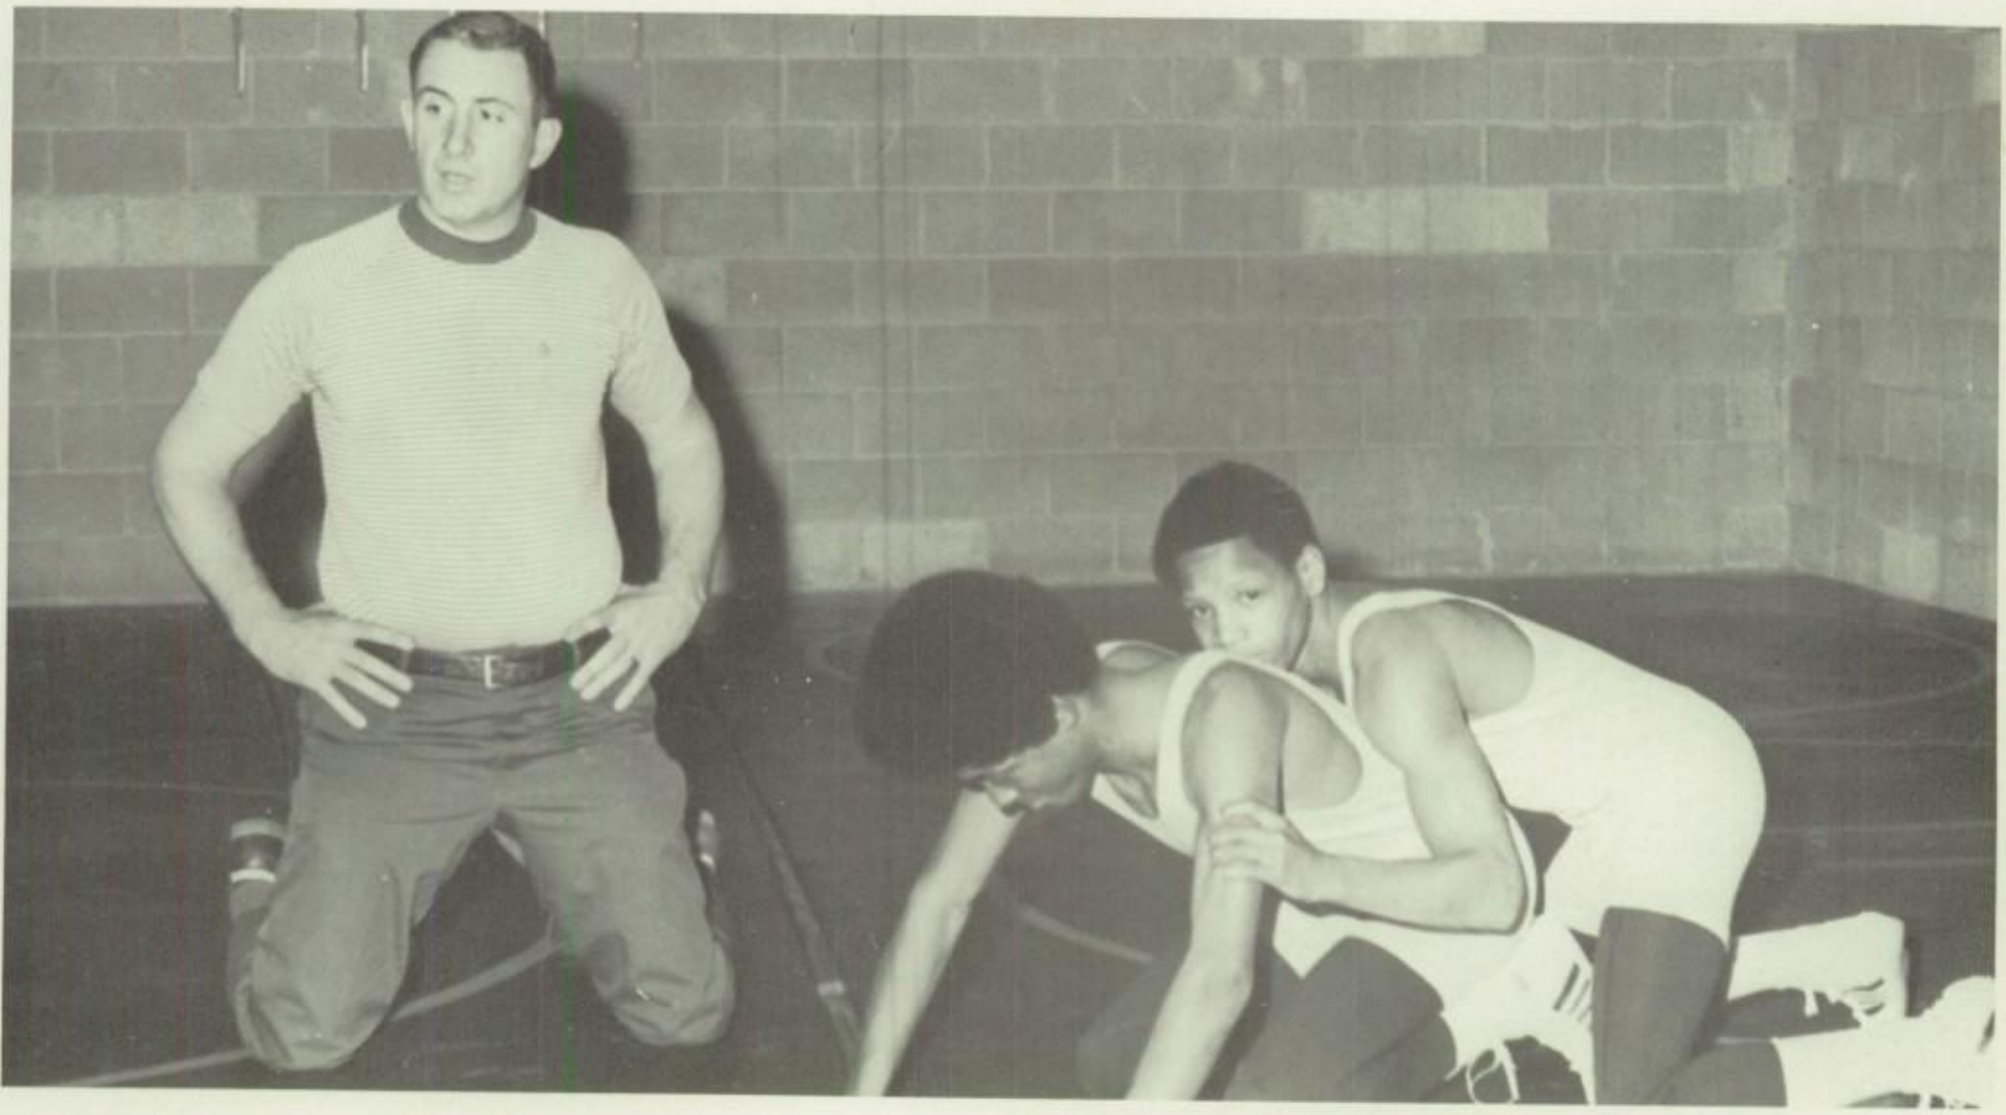
Two-time State champion - Bobby Colbert
Regional Champions - Steve Watkins, James Walker and Mike and David Burton, all of whom have contributed greatly to the teams' success in the past years.

Karabasz

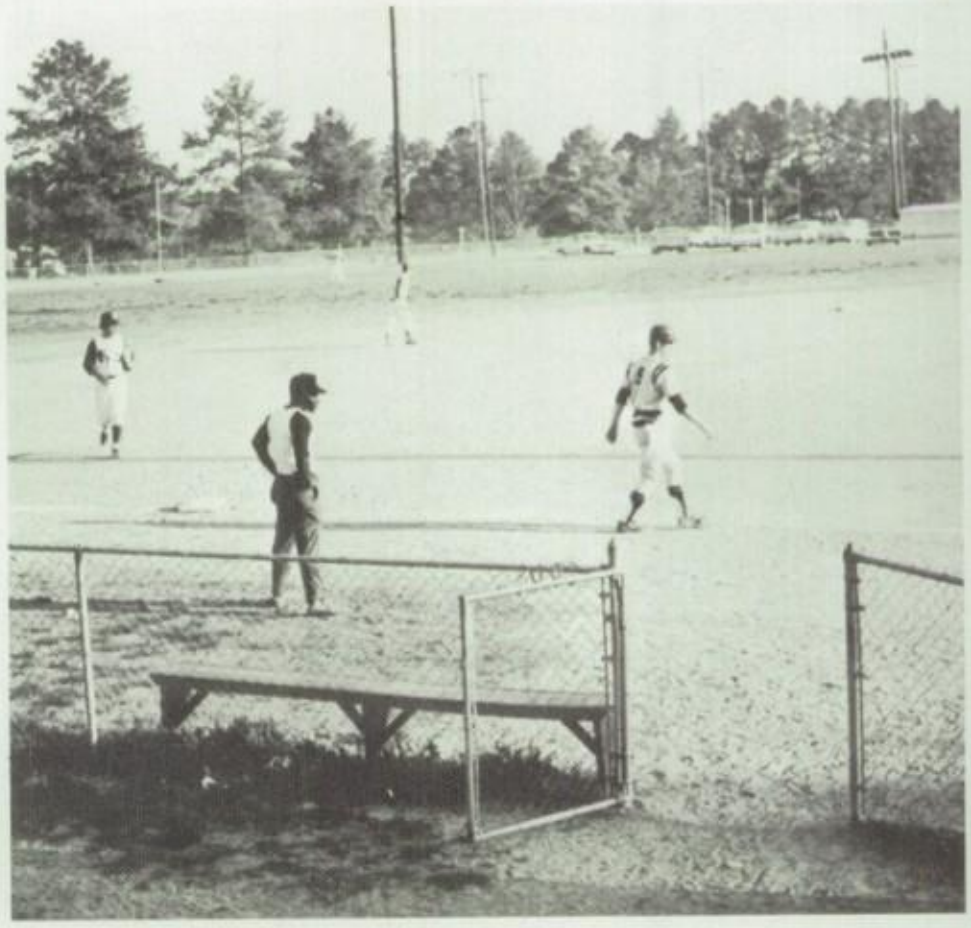




FRONT ROW, L to R: Mitchell Armstrong, Bobby Colbert, James Walker, Malachi Bell, Ernest Howard, Steve Watkins. SECOND ROW, L to R: Tom Jones, David Burton, Jerry Elkins, George Cook, Mike Burton, Kent Ellis, Clarence Dickerson.



Baseball



Track

Baseball and track are probably the two most popular spring sports at Walker. The baseball team, led by such outstanding players as Ronnie Daniels and Joe Gray, will surely be a conference powerhouse.

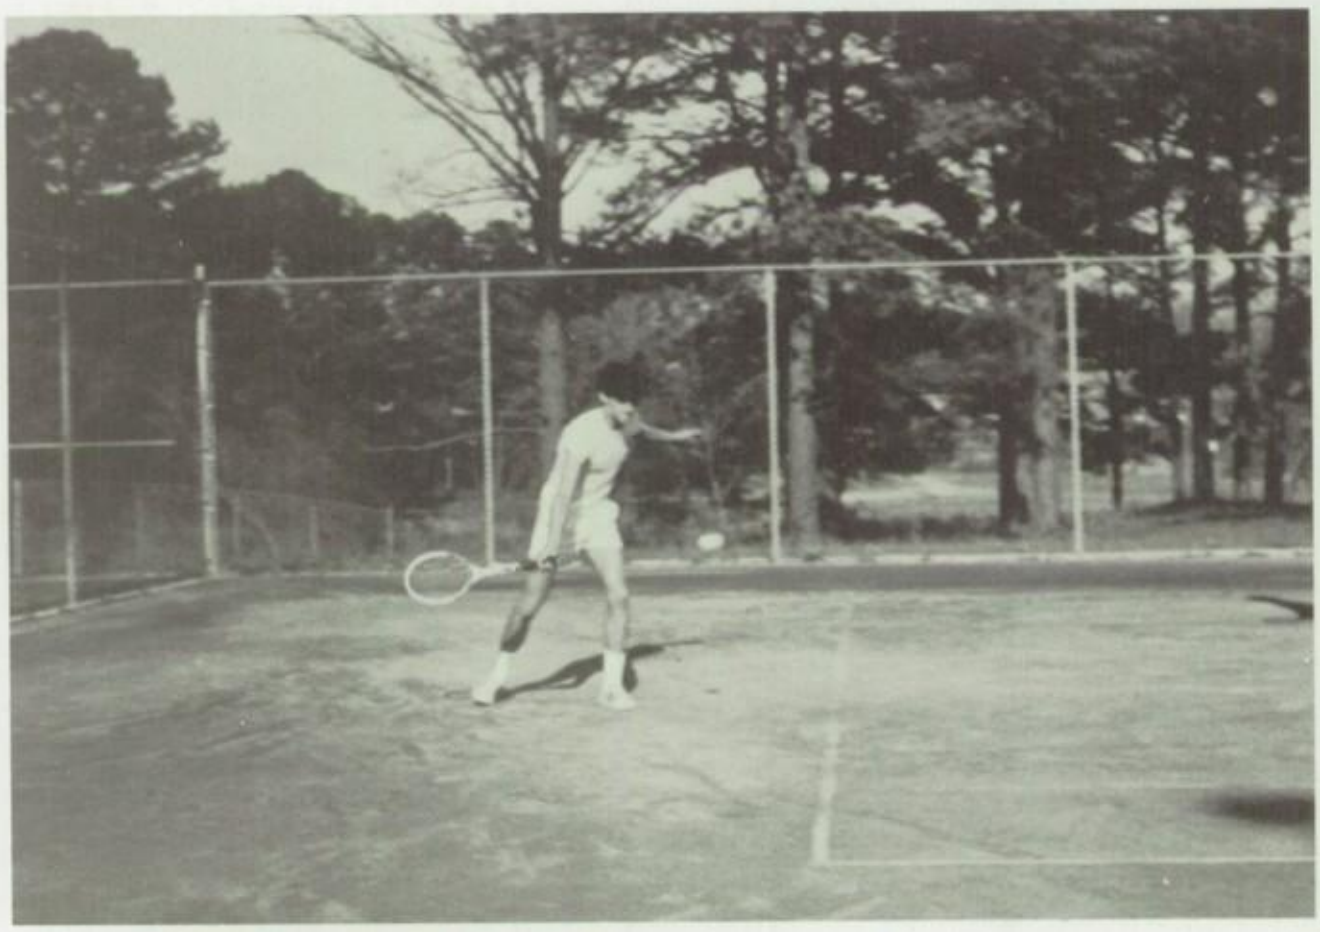
The track team, should again terrify county opponents, as they did last season while sweeping the county championship.

Ronnie Davis and Jimmy McCoy should again be strong in the sprints, while Hal Brakefield should lead the team in the field events.

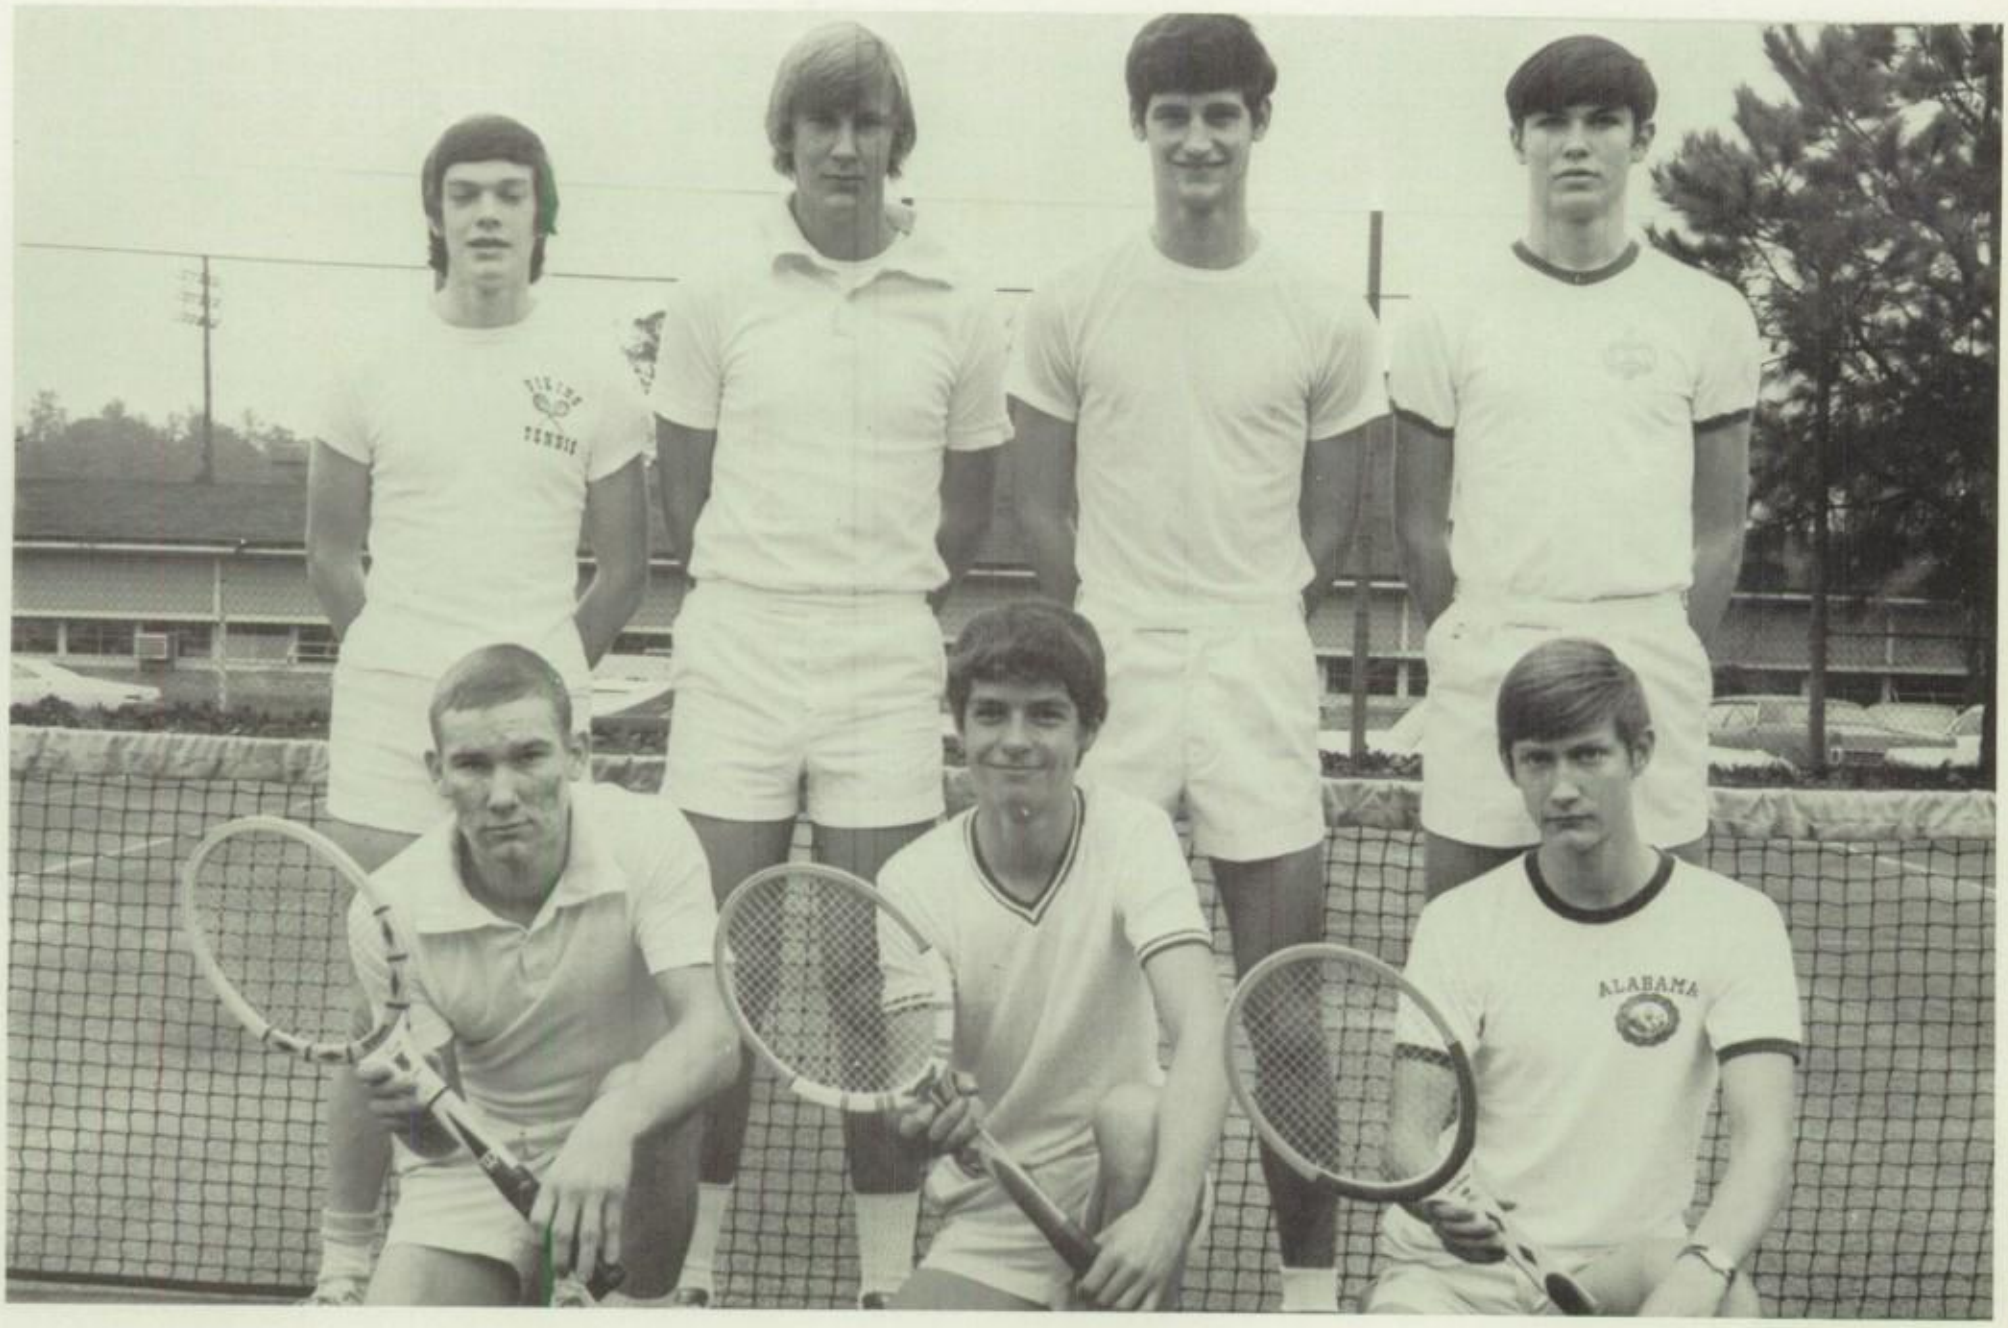
Golf

BACK ROW: Steve Brid, Tab Hudson, Bill Gibson, Ronnie Daniels, Tim McCoy. FRONT ROW: Don Terry, Bart Adcox, Roger Childers.

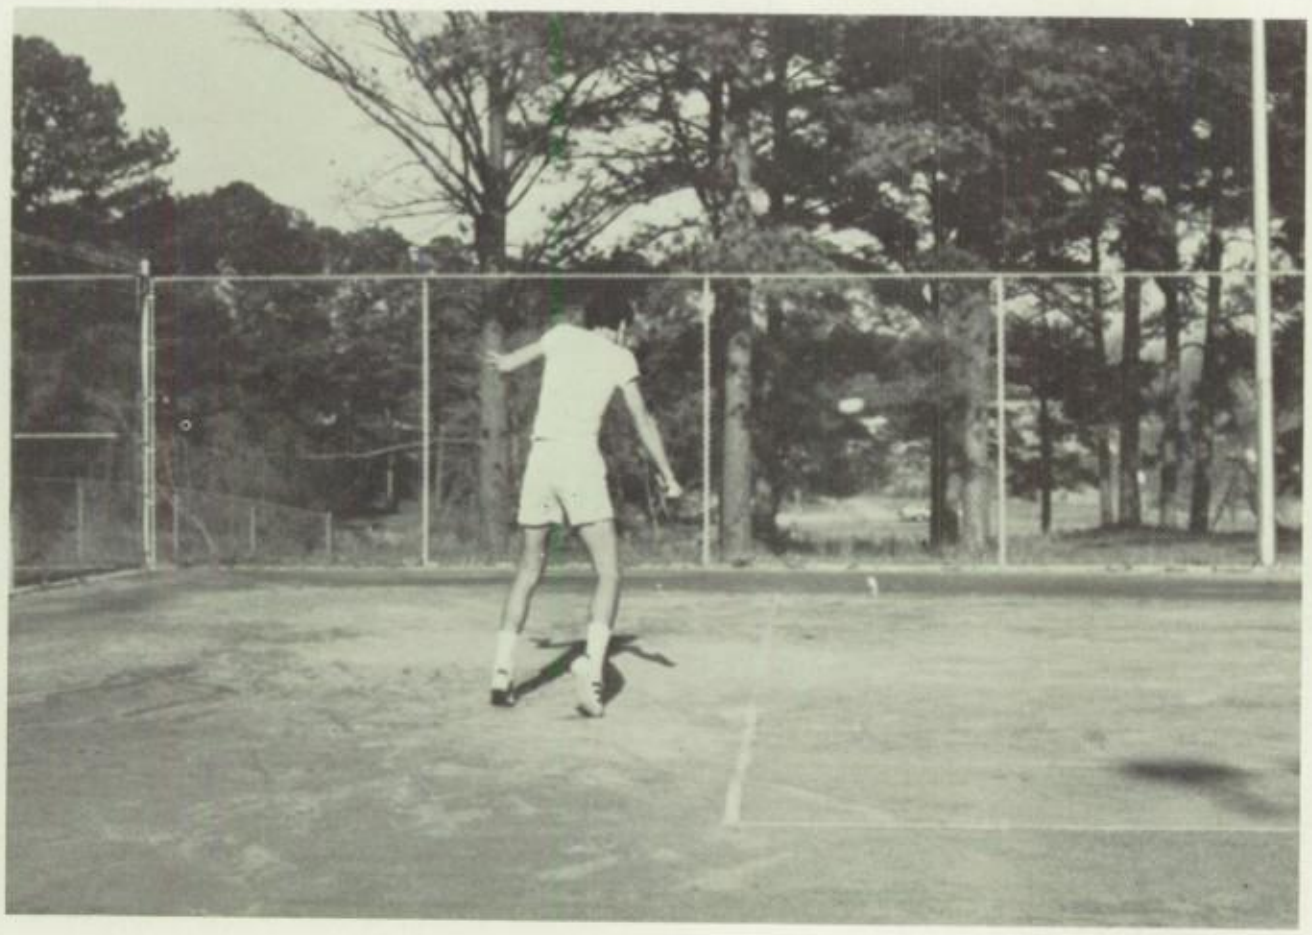
The golf team, led by Tab Hudson, should again be a top contender. Hudson, probably the best high school golfer in the state, is definitely a blue chip college prospect. Rounding out the team are stand-outs Ronnie Daniels, Steve Bird, and Bart Adcox.



Tennis



BACK ROW: Steve York, Thomas Cook, Stuart Upton, Chuck Justice. FRONT ROW: George Cook, Phillip Bradford, Bob Wilson.



The tennis team should once again be one of the top teams in the T.V.C. Led by such outstanding players as Stuart Upton, Thomas Cook, and Chuck Justice, Viking tennis is again looking up. As they are now defending T.V.C. champions the Viking's should be a big challenger in state competition this season.

Intramural Sports

The Dick Dasterlies - Intramural Football Champions

Captain Ronnie Davis of the Ghetto Intermural Basketball Champions.

During the 71-72 school term at Walker, intramural sports was first introduced by Coach Pat Morrison to provide students not normally participants in any of the varsity sports, an opportunity to take part in such sports as: golf, football, basketball, volleyball, and bowling.

At the beginning of the year, teams were formed, with the golf tournament being the first event. Ronnie Daniels, representing the Key Club, won over a large and well qualified field. In football, over a rough but well played season, The Dick Dasterlies produced the best record and proceeded to beat the Ghettos for the championship. Basketball probably proved to be the most exciting sport, as the Ghetto's again top contenders, beat the Key Club by one point in the semi-finals. In the finals, however, they completely demolished "W" Club I to take the championship.

With volleyball and bowling competition still to be held, the intramural sports program has already been proven to be an outstanding success.
